Changing instructions  
for the Enterprise West UK Gate Door  
**CAUTION - EXTENDED REPLY DOOR**

1. Before opening the door, ensure the trailer is properly supported and the door is fully closed.

2. To open the door, pull the handle and lift the door upwards.

3. Once the door is open, it will remain open until the handle is pushed down.

4. To close the door, push the handle down and the door will close automatically.

5. Do not attempt to force the door open or closed.

6. If the door does not close properly, check for obstructions and ensure the door is fully latched.

7. If you have any questions or need assistance, contact your dealer or the manufacturer.
