LISTA

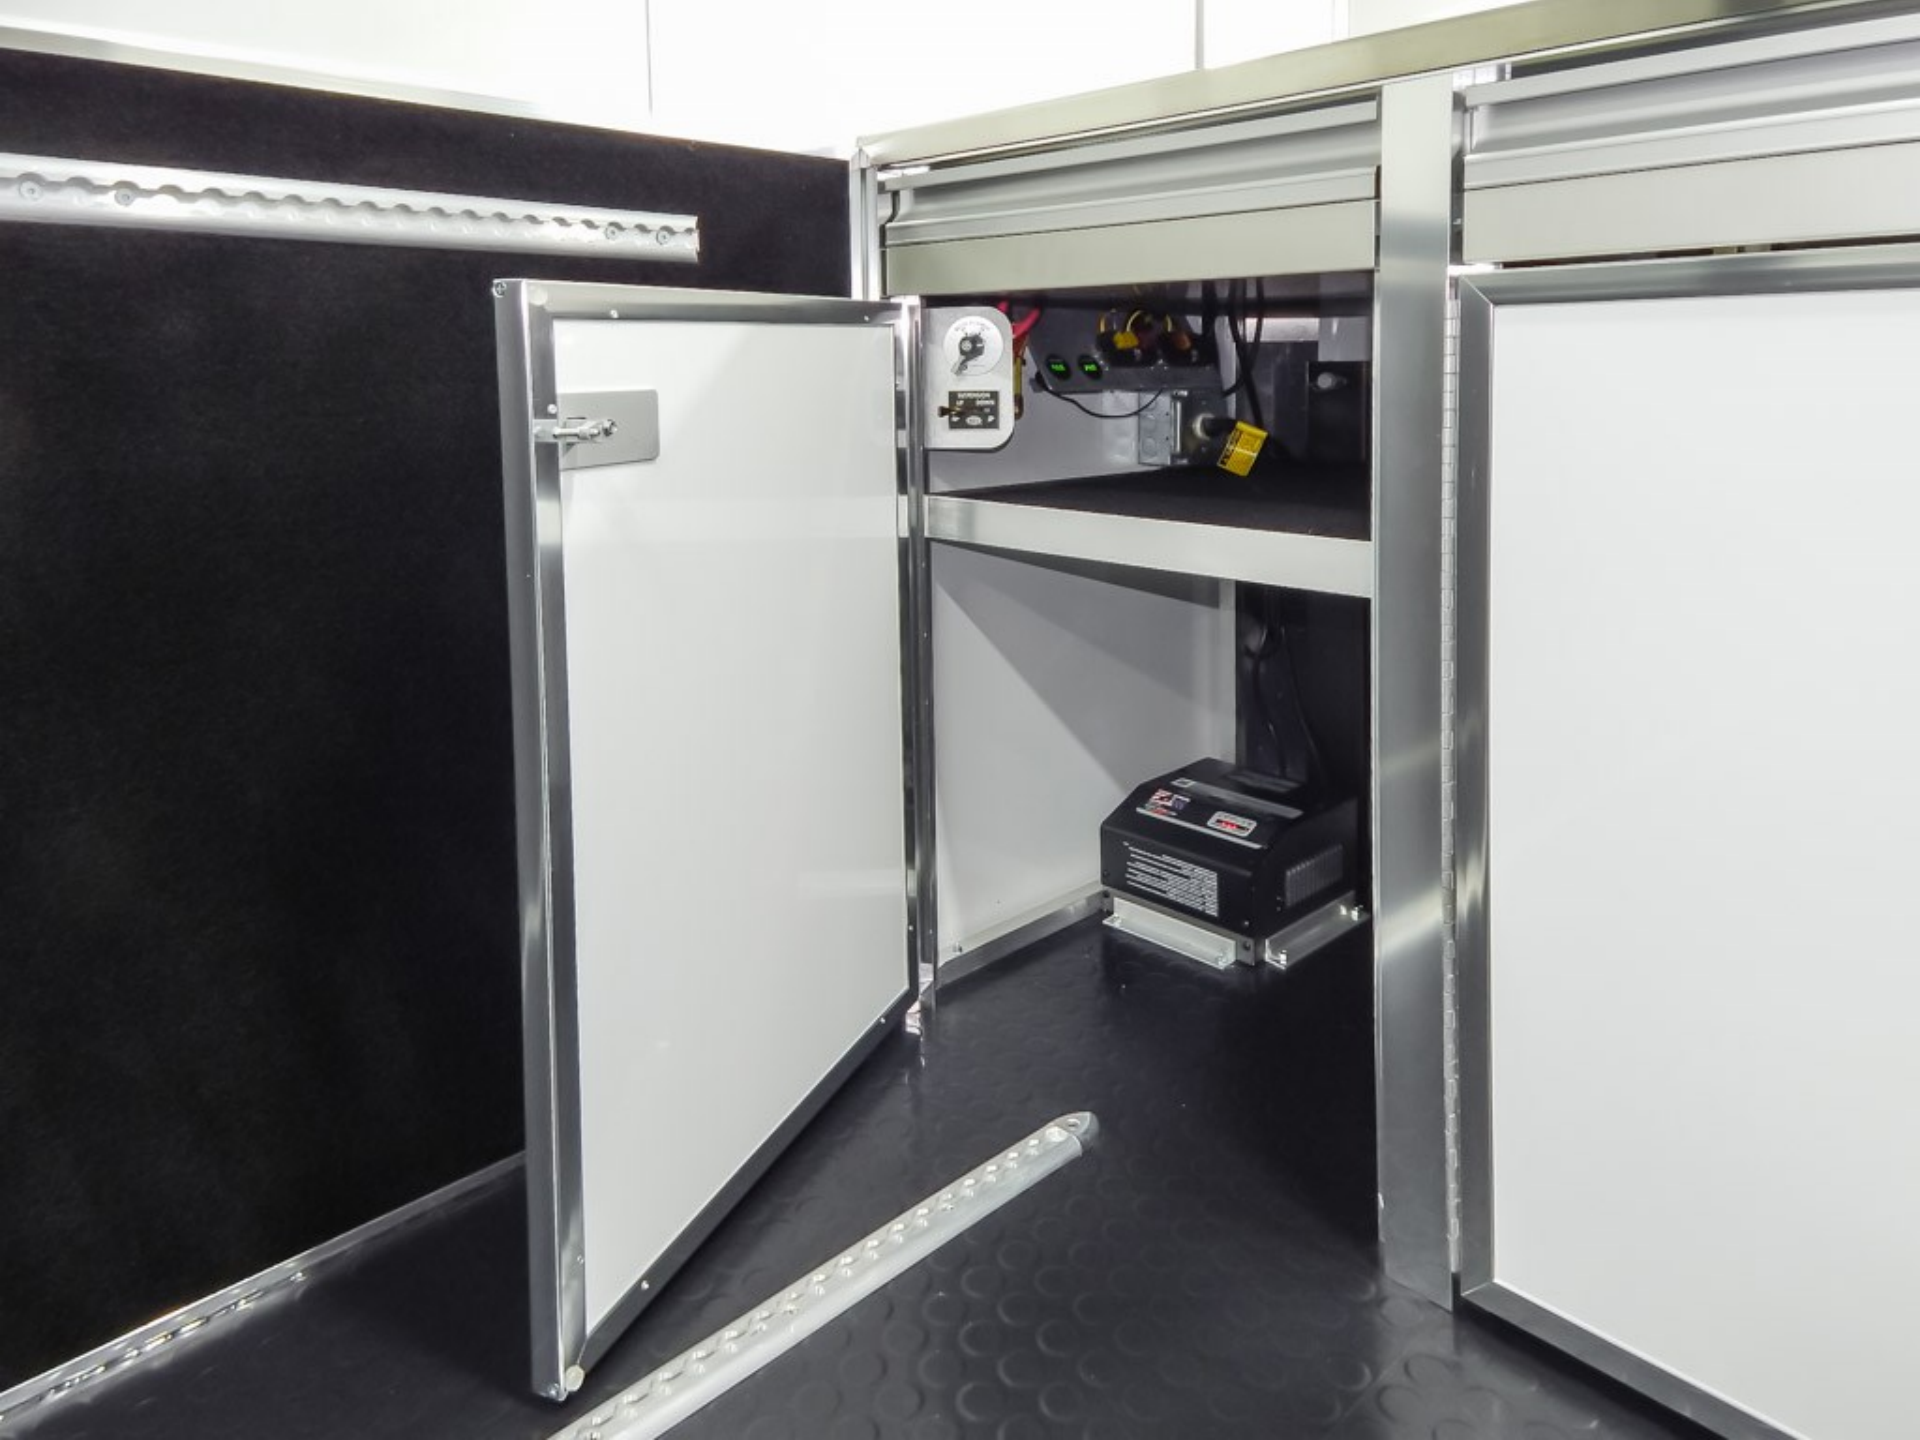

MADE IN USA

MASTER DISCONNECT
OFF ON

SUSPENSION
UP DOWN

A silver metal panel on the left side of the compartment. It features a circular master disconnect switch with a keyhole and a toggle labeled 'OFF' and 'ON'. Below the switch is a rectangular panel with two buttons labeled 'UP' and 'DOWN' for suspension control. The panel has a brushed metal finish.

VOLTAG 28.3

VOLTAG 18.2

A grey electronic module mounted on the wall. It has two green LED displays showing '28.3' and '18.2' under the label 'VOLTAG'. To the right of the displays are several electrical terminals with colored wires (yellow, blue, red, black) plugged into them.

CAUTION

A yellow rectangular warning label with the word 'CAUTION' printed in black, attached to a cable.

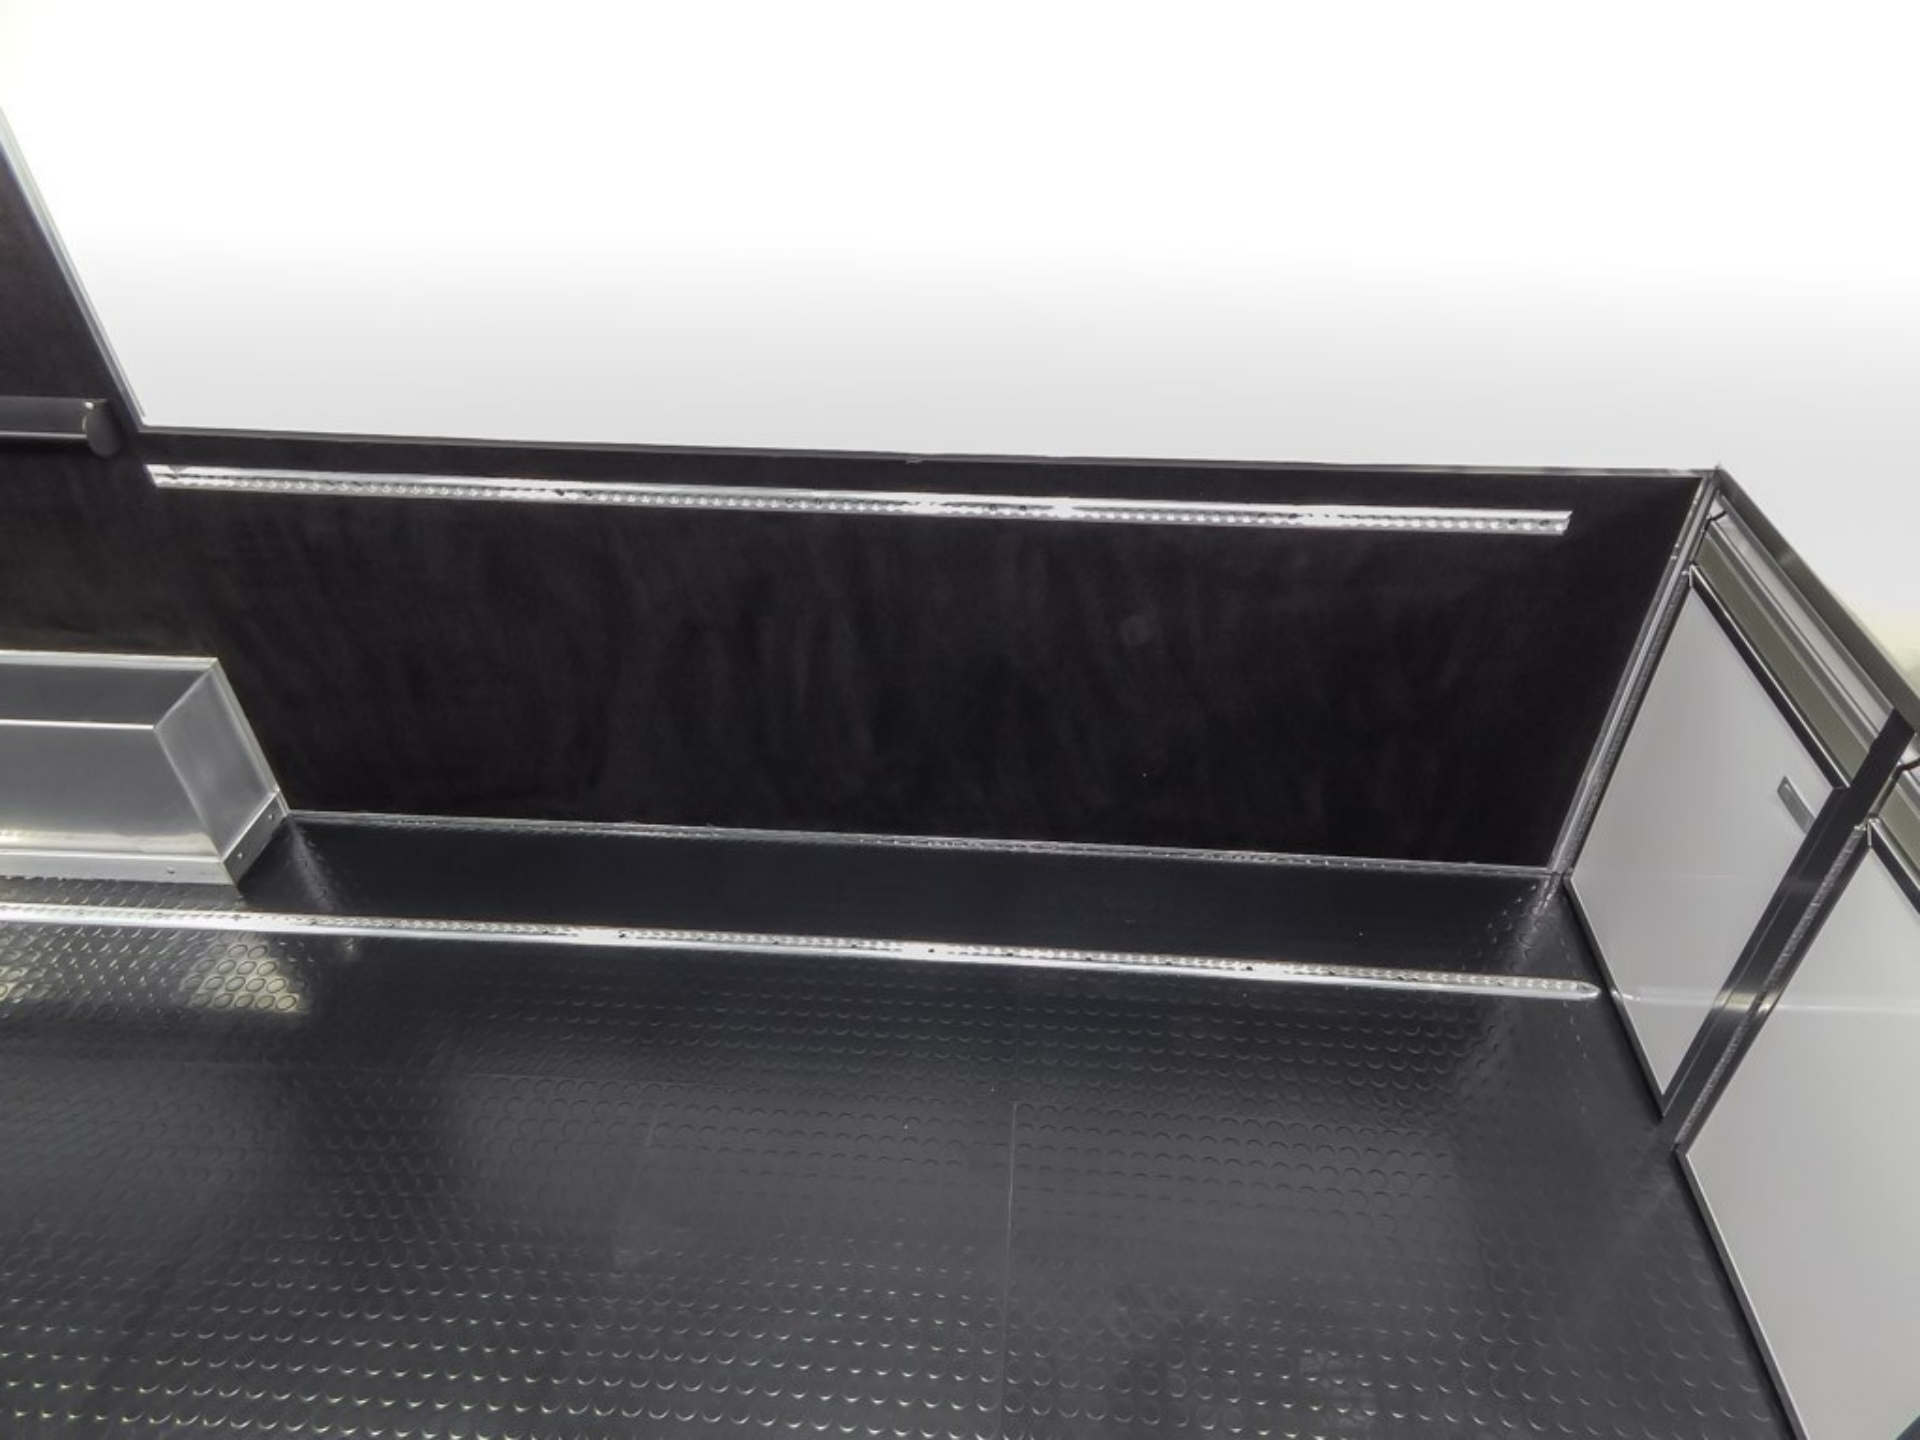

Progressive Dynamics
